

Whether its business or pleasure, Burswood Entertainment Complex's world-class service and facilities are the obvious choice for your next event. Our flexible approach means we can cater for any size function with five-star service, premium catering and technical support to create that lasting impression.

### Selecting the perfect venue

With clean lines and premium fittings, our range of state-of-the-art venues feature the latest designs and comforts. With a capacity of two to 20,000; we can cater for whatever your event requires. All of our venues are equipped with the latest technology and presentation aids for optimum results.

From the majesty of our ballrooms to the versatility of a poolside location or function room, we'll provide you with the perfect setting for your gala event or cocktail party. Our extensive range of meeting and boardrooms and experienced staff will ensure your event runs like clockwork, and if it's a larger venue you're after, Burswood Theatre, the expansive Burswood Dome or one of our ballrooms will add some grandeur to your event.

### Technologically advanced

To fulfil your IT, communications and audio-visual needs we can provide you with the skills of Staging Connections, Australia's leading audio-visual supplier. They provide and install staging, sets, scaffolding, props, decorations, lighting and PA systems. In addition, there's always a full complement of equipment available to help enhance your meeting, gala event or conference both large and small.

This includes:

- Audio-visual equipment
- PA and sound systems
- Latest presentation aids
- Lighting
- Telecommunications
- Computer equipment
- TV cabling for live broadcast and teleconferencing
- Fibre optic cable systems and information systems for MATV distribution to all areas of the Complex.

Our custom built registration desk contains lockable cupboards available for storing small items. Space is also available for additional computer terminals and dedicated phone lines can be arranged.

# THE EXPERIENCE

## A team of professionals leading the way

No other hospitality group boasts a more credentialed and internationally renowned personnel than the team at Burswood Entertainment Complex. Years of experience and up-to-the-minute industry knowledge go towards maximising the results, and minimising the stress. We are 100% committed to the success of your event.

Considering a theme for your event? Talk to our events team about the unique possibilities available. The sky is the limit, from flowers and chair covers to elaborate stage theming and detailed set design. We're proud of our service, and our attention to detail has won numerous accolades from event organisers across the globe.

## Superb catering options

We pride ourselves on catering to all culinary desires and passions, showcasing a range of modern and exotic tastes. Banquets, set menus, buffets or cocktail receptions, whatever the occasion, we can make it happen. From the exotic to the sublime, an army of world-class chefs are on hand to add flare, skill and creativity to your menu. If you have something specific in mind, let us craft a menu to complement and enhance your event.

## Easy access for all your guests

Burswood Entertainment Complex is one of Perth's most accessible locations. We're only a short trip to the CBD and a 10 to 15 minute car ride to the airport. Our first-class parking and transport facilities operate 24 hours a day, including services for the disabled, a taxi rank and booking service operating from the main Complex ring road.

We have more than 3,600 car parking bays, including 1,450 complimentary bays. Undercover or monitored parking is available for a small fee and ACROD permit holders receive discounts. Valet Parking is available at the main entrance of InterContinental Perth Burswood. The Burswood train station is located behind Burswood Dome, and there are bus stops along Great Eastern Highway in front of the Complex.
